

Professional Formal Letter

This formal letter template is suitable for individuals representing a professional institution such as a university, company or organization. This is most evident in the large header at the top of the letter where there is space for a logo and a large institution name along with your name and title. A block for your information is neatly tucked away underneath the header line on the right with a vertically-overlapping block for the addressee information underneath on the left. Finally, the content of the letter is laid out in neat justified paragraphs with the signature on the bottom aligning with the date at the top of the letter.
