

Professional Newsletter

This elegant newsletter template is best suited to corporate or organizational newsletters with several large entries. It features space for a large wide header at the top with the company logo and information. The layout is highly modifiable and features the ability to include a sidebar encased in a border, an in-text box, quotation and single or multi-column text layouts in any configuration! The template makes extensive use of linking for quick reader browsing, a table of contents is present on the first page and links to every entry in the newsletter.

modifiable and features the ability to include a sidebar encased in a border, an in-text box, quotation and single or multi-column text layouts in any configuration! The template makes extensive use of linking for quick reader browsing, a table of contents is present on the first page and links to every entry in the newsletter. Each entry after the first page then likewise links back to the contents. Examples of a table, in-text figure, and bulleted/numbered lists are present so you can get straight to writing your newsletter.
