

Minimalist Book Title Page

This title page template is best suited for a book. The minimalistic design immediately highlights the title and the use of red further focuses the eye on the core of what the work is about. The subtitle is neatly tucked away under the title to expand on it and the author/publisher information frames the title.

Description

This title page template is best suited for a book. The minimalistic design immediately highlights the title and the use of red further focuses the eye on the core of what the work is about. The subtitle is neatly tucked away under the title to expand on it and the author/publisher information frames the title. A diversity of colours are available
