

Stylish Title Page

This title page template features a large title and subtitle surrounded by two curly brackets to bring focus to the title and add to the stylish design of the template. The author name is centered below the title and publisher information is seen at the bottom. This makes the template best suited to a book or other large work, but it can be easily adapted to any other usage.

Description

This title page template features a large title and subtitle surrounded by two curly brackets to bring focus to the title and add to the stylish design of the template. The author name is centered below the title and publisher information is seen at the bottom. This
