

American Geophysical Union

The American Geophysical Union (AGU) allows authors to submit their manuscript formatted in LaTeX to any of their journals. For this, they provide a template which contains the structure and reference style they would like for submissions. The template contains two tex files, one for the article and another for supporting information.

Description

The American Geophysical Union (AGU) allows authors to submit their manuscript formatted in LaTeX to any of their journals. For this, they provide a template which contains the structure and reference style they would like for submissions. The template contains two tex files, one for the article and another for supporting information.
